How to Ride the Shuttle

The Menlo Park Midday Shuttle is free and open to everyone. The shuttle buses are painted green and white with "Menlo Shuttle Service" written on the sides. Many bus stops are marked with a "Menlo Shuttle" sign, or with a "Midday Shuttle" sticker on a SamTrans sign. When you see the Shuttle coming, wave at the driver to indicate you want a ride.

It's easier to get on the shuttle at a bus stop, but you can also wave for the shuttle to pick you up anywhere along the route where it is safe and legal for the driver to stop. When you get on the bus, tell the driver where you want to be let off. Sometimes it is helpful to remind the driver just before you reach your stop.

It is easy to remember when the shuttle bus serves your favorite stops. The shuttle stops at the same time. For example, the bus heading towards Stanford stops at Crane Place at 53 minutes after the hour between 9:53 a.m. and 1:53 p.m.

All vehicles are equipped with a wheelchair lift and space for two wheelchairs.

Have you missed a shuttle and are uncertain as to when the next shuttle will arrive? Do you want to let the shuttle driver know in advance when you will be at a bus stop? Are you concerned about missing the shuttle? Riders in need of immediate assistance can call Parking Company of America at **415-378-0353**, Monday through Friday from 9:30 a.m. to 3:00 p.m.
